

-What was a bunch like you up there
doing with an orang-outang like this?

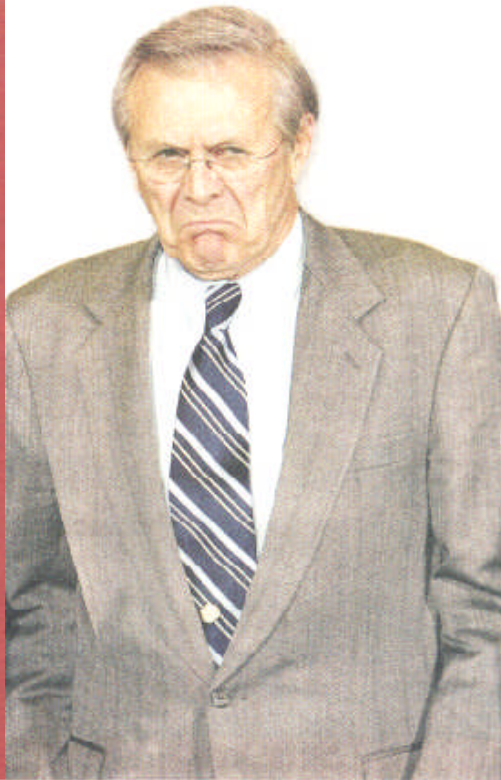

-How did an orang-outang like you
scrape through a place like that?

-Now all fellow Germans
among you guys,
take a good look at me
and try to look equally robust
or you'll get no greencard.

UPSHOT TO ALL US WESTERNERS:
DO JOIN THE “CLASH OF CIVILIZATIONS” YOU SEE BELOW:

-What do you think of Western Civilization?

-That it would be a good idea

(Notes: 1)Of course the above captions' dialogue was from a Gandhi interview
2)Of course the first photo is the cover of Tariq Ali's "Crusades and Jihad,

HYMN TO JOY

(Schiller-Beethoven)

(<http://www.youtube.com/watch?v=2aQ8DUHMg7o&feature=related>)

Holy Joy Gift from the Heavens
Daughter from the Fields of Gods
to your Shrine I'm now kneeling
Sacred Fire now moves my heart

With Your Magic You unite us
and You break the chains of Fate
All the World you make our Brothers
when Your wings all wide You spread

Glory to whoever only
one soul hosts within his heart
let the rest with pain be parted
and from us just live afar

Oh You Joy Gift from the Heavens
to the blissful mortal man
You give Life and Love in Freedom
and a faithful loving friend
